Neatness

Is the great cry of the age. Except in the case of large, high-priced bedroom suites, everything that's useful in furniture is neat and very plain. We have an enormous stock of neat Brass and Iron Beds, neat Dressers, Chiffonieres and Toi-

hogany, oak and birdseye maple to match, which, when you consider the extraordinary fine finish and fine woods used in their construction, are wonderfully low in price. Don't make the girl spend the first few years of married life in the drudge.y of keeping a big, clumsy chamber suite clean, but get a bridal suite, consisting of a neat brass bed with a neat bureau or chiffoniere and ladies' dresser to match, and you'll always have a sweet-tempered wife. And say! It will more than likely cost

We are now prepared to lay all carpets, mattings, etc., promptly, as we've just added to our force.
